**From the Presidents**

A fresh beginning beckons new hopes, good times and horizons to further strengthen our links of camaraderie. We are blessed to be amongst gifted women who can transform our vision into a legacy.

2016 heralds the **30th year** celebrations of IWA. Thank you dear members for reposing your faith in our abilities. We are delighted to lead, confident that the glorious past has paved way for a promising, bright and enduring future. Let's embrace this new chapter and embark on this enjoyable journey with **"pearly smiles"** whilst we assure you plentiful reasons to do so.

This year is all about **"YOU"**

**"Create value out of every opportunity; Recognise and seize the treasure within, for Happiness Starts with YOU"** - our theme beautifully depicted in a shiny white pearl within a protective oyster shell, basking on the soft sands on the shores of a surfy sea, merging at infinity with the expanse of the deep blue sky- all interdependent, each incomplete without the other...denoting the unlimited possibilities that IWA has to offer.

Our vibrant Activity Chairpersons have some very exciting plans in the brewing. Do ensure you encourage their enthusiasm with your continued participation, involvement and presence. Each activity this year will be assisted by an able **"Support Team"** which will be exclusive to that activity.

The centrespread of our monthly newsletter will feature **"Our String of Precious Pearls"** - carrying names of members in alphabetical order with their year of joining IWA, starting with 1986, eventually covering the entire membership - our way of saying **"YOU are Special"**.

Do ensure you are familiar with the contents of the monthly newsletter, so as not to miss out on any interesting, informative, interactive meetings. Thanks to the efforts of Rani Ananth, our website **www.iwachennai.blogspot.com** will continue to be updated by her every month and will be helpful in keeping you informed on the go.

Wearing your name badges to IWA meetings will ensure members old/new get acquainted with you.

Look forward to seeing you all at the first event of the year, the **"Pearl Fellowship Morning" - Celebrating 30 years of IWA.**

**From the Vice Presidents**

**“An irritating, tiny grain of sand cultivates layers of luminous, miraculous, one of a kind beauty just as life challenges, cultivates and evolves each of our souls”**

We are on the threshold of another stimulating IWA year and we are delighted to be a part of this journey. We will be spurred by your enthusiastic involvement & interaction as we endeavour to execute our duties conscientiously.

If you have any news or announcements of significance in your lives please drop an email to **buddymahadevan@gmail.com** and **wrightsylvie@yahoo.fr** so that we may publish it in our newsletter.

If you would like to host a meeting in your home, garden or assist in any other way, please do not pause to contact us.

Looking forward to a spirited and colourful IWA year.

**I was walking along the pearly shore looking for someone special  
 Suddenly, I realised I wasn't alone  
 There was YOU ...**

The best way to be happy is to be amongst cheerful friends who grow along with you, nurturing the same feelings, so that our joy of knowing them might scale greater heights.

Friendship makes you laugh a little louder, smile a little wider, live a little better, add cheer to our lives and create a sense of natural well being.

It's time to renew the ties of togetherness in the true spirit of fellowship. Sing along to the "Melodious Dozen" notes of your all time favourite songs. Our time together might just seem never quite enough!

Do join us at the **"Pearl Fellowship Morning"** adorned in hues of **Sea Blue.**

**... YOU are always there, beside ME  
 I feel complete when I am with YOU**

This is a **members only** meeting.

## Culinary Treasures & Elegant Dining

Golden Dragon, the signature Cantonese and Schezwan cuisine restaurant at Taj Coromandel Hotel, has been known for its most authentic dining experience from its inception several years ago.

The concept of the restaurant remains simple and at the same time evokes a grand dining experience.

The theme central to the existence of Golden Dragon is a Tea Bar with a tea hostess, who invites the guest to experience tea service with grace intrinsic to the Chinese tradition of serving tea. The Dim Sum bar and the Peking Duck oven, two novel concepts along with the Master Chefs are the prime highlights of this restaurant.

Come, discover the culinary treasures of Golden Dragon with **Chef Chun Kee Ho**, popularly known as **Chef William** who has infused a keen sense of freshness in the menu to offer one of the most extraordinary repertoires of Chinese cuisine. Chef has scoured the culinary landscape to introduce a refreshing range of recipes for the health conscious including low calorie desserts. One of the highlights of the day will be, Chef sharing with us interesting anecdotes, gastronomic journeys and experiments that have enhanced his culinary repertoire.

We are grateful to **Taj Coromandel** for kindly hosting this meeting.

## Samba Tango and Waterfalls

Banker by profession, traveller by passion.

Her career began in the Indian Foreign Service with a first posting as a diplomat in Paris. Then followed an MBA from IIM Bangalore and a successful career in finance with institutions like ANZ, HDFC Bank and Royal Bank of Scotland. She is now the CEO of Barclays Shared Services Ltd. and a director on the board of two public companies.

However, when you meet **Uma Krishnan**, you will see the side of her that is an ardent traveller and coffee enthusiast. She is also unabashed about her love for good food; in this regard, she holds her experience learning Peruvian cuisine in Cuzco, in high stead. She also extolls the scenery and legacies that unfold at Machu Picchu. While Brazil is known for the Amazon, Uma holds a little more insider perspective on the lesser known Iguazu Falls and prime festival locations.

Join us as she shares her firsthand experience of the treasure trove that South America is.

A big thank you to **Sudaka**, the first South American RESTO in Asia, for hosting this meeting.

## Grow Your Own Veggies - Know Your Own Veggies

The daily news is filled with alarming stories of dye-injected watermelons, indigo-washed brinjals and toxic chemical pest killers. So we fervently wash, scrub and clean at home, but there's really only one way we can ever be sure - and that's to grow our own vegetables on the terrace, on a sunny balcony or in a few handy pots.

To help us to take responsibility for our family's good health is **Hariesh Krishnamurthi**. He's a great coach who makes it sound actually possible and under his guidance, we can be sure that the plump tomatoes, bhindis, chillies, spinach and sundry other veggies we eat are truly nourishing and healthy.

Our thanks to **Usha Saravanan** for generously hosting this meeting.
